General Information

Compensation

The following table illustrates compensation for owner(s) depending on entity type:

Type of Entity	Source of Income	Plan Compensation
Corporation	W-2 Income	W-2 Income
S-Corporation	W-2 Income + Schedule K-1 (Form 1120-S)	W-2 Income only
Sole Proprietorship	Schedule C, line 31	Earned Income (calculate)
Partnership	Schedule K-1 (Form 1065), line 14a	Earned Income (calculate)

Notes

Limited Liability Company – see table above depending on how the LLC is taxed. By default, LLCs are taxed as sole proprietorships or partnerships, but the LLC can make a special election to be taxed as a corporate entity.

Plan compensation is limited to \$245,000 for plan years beginning in 2009.

Employees, other than owners, are paid W-2 income for all entity types.

Earned Income = Net Profit – 1/2 self employment tax – plan contribution.

The retirement plan deduction for a sole proprietor/partner is limited to Net Profit – 1/2 SE tax.

Other Notes About Compensation

- 1) When entering Compensation History do not list compensation paid from an unrelated business. For example, if your business began in 2009 and before that you worked for ABC Inc., do not list compensation paid by ABC Inc.
- 2) For S-corporations, Schedule K-1 dividend distributions cannot be used as Compensation.
- 3) In general, Compensation does not include "passive income" such as income from investments or property.
- 4) Compensation must be received only from the employer (plan sponsor) establishing the plan.
- 5) Please refer to your CPA to determine where deductions are taken on the appropriate tax return.

Fidelity Bond

If your plan has participants other than owners and their spouses, it is required by ERISA that Plan Fiduciaries be bonded for plan assets. A Fidelity Bond is necessary to protect the plan against loss through fraud or dishonesty on the part of the plan officials. Plan Fiduciaries should be insured for a minimum of 10% of the plan assets, but not less than \$1,000. The maximum amount required is \$500,000. A Fidelity Bond may be obtained through your business property and casualty insurance carrier.

PBGC Coverage

Defined Benefit plans are required to be covered by the Pension Benefit Guaranty Corporation (PBGC) insurance program with the following exceptions:

- Professional Service Employer with less than 25 participants
- Owners only / with spouse

A professional service individual includes, but is not limited to, physicians, dentists, chiropractors, osteopaths, optometrists, other licensed practitioners of the healing arts, attorneys at law, public accountants, engineers, architects, draftsmen, actuaries, psychologist, scientists, and performing artists.

If required to be covered by the program, premiums will need to be paid to the PBGC.
